 END-TO-END OPERATIONAL TESTING WORKFLOW

STEP 1: Onboard Emergency PO & Assign Inspector

ACTOR: DONNA CABRAL (ADMIN)

 **Business Rationale:** Admin Donna Cabral onboards Magna, allocates the 100-hour PO budget cap, and selects Rep Clarence Kuiken so that logged shift hours are capped against the client PO.

- Go to <https://proud-lavoisier.vercel.app> and sign in as Admin **Donna Cabral** (username: donna / password: password123).
- Left sidebar under **SETTINGS & ADMIN** → click **Projects Registry**.
- Click cyan + **Onboard Project & PO** button at top right.
- Fill in **Magna International** dataset above. Select Assign Field Rep: **Clarence Kuiken**.
- Click bottom button **Register Project Assignment**.

✓ Expected Result: Toast notification "Successfully onboarded Magna International!" appears. Magna card shows 100 Hours Budget Cap.

STEP 2: Plant Inspection & Defect Containment Logging

ACTOR: CLARENCE KUIKEN (REP)

 **Business Rationale:** Rep Clarence Kuiken arrives at Magna Belleville Plant 4, performs 100% pin continuity check on 350 harnesses, isolates 12 defective harnesses, and logs an 8-hour shift report.

- Go to <https://proud-lavoisier.vercel.app> and sign in as Rep **Clarence Kuiken** (username: clarence / password: password123).
- Select Project: Magna Belleville Plant 4 - Ford F-150 Harness Micro-Switch Inspection.
- Enter Details: Regular Hours: **8.0**, Parts Inspected: **350 Pcs**, Defects Found: **12 Pcs**.
- Summary: "Completed 100% micro-switch pin continuity check on F-150 harnesses. 12 harnesses flagged for loose connector clips."
- Click **Submit Daily Shift Report**.

✓ Expected Result: Shift report status shows "Sent / Pending Review". Live dashboard telemetry updates.

STEP 3: Supervisor Shift Review & PO Budget Deduction

ACTOR: DONNA CABRAL / GREG PHILLIPPE (ADMIN)

 **Business Rationale:** Admin audits Rep Clarence's shift report to confirm hours match plant attendance before locking the record and deducting 8 hours from Magna's 100-hour PO cap (92.0 hrs remaining).

- Go to <https://proud-lavoisier.vercel.app> and sign in as Admin **Donna Cabral** or **Greg Phillippe**.
- Left sidebar under **QUALITY & OPERATIONS** → click **Shift Summaries Log**.
- Locate Rep Clarence Kuiken's shift entry for Magna Belleville Plant 4.
- Review details (8.0 hrs, 350 Pcs, 12 Defects) and click **Approve Shift**.

✓ Expected Result: Shift status updates to "Published / Approved". Magna PO budget updates from 100.0 hrs to 92.0 hrs remaining.

STEP 4: Financial Accounting & Client Invoice PDF Export

ACTOR: COLLEEN BOYD (ACCOUNTANT)

-  **Business Rationale:** Accountant Colleen Boyd consolidates approved billable hours (8.0 hrs @ \$85.00/hr = \$680.00 CAD) and exports official branded client invoice PDF.
1. Go to <https://proud-lavoisier.vercel.app> and sign in as Accountant **Colleen Boyd** (username: colleen / password: password123).

2. Left sidebar under **FINANCIAL & AUDIT** → click **Timesheets & Logging**.

3. Select **Magna International** from Client Filter dropdown.

4. Verify calculations: 8.0 hrs @ \$85.00/hr = **\$680.00 CAD Billing** | 8.0 hrs @ \$45.00/hr = **\$360.00 CAD Inspector Pay**.

5. Click green button  **Export Official Client Invoice PDF**.
-  **Expected Result:** Downloads branded invoice PDF "Invoice_Magna_International.pdf" with itemized shift lines, tax calculation, and zero text overlap.
