END-TO-END OPERATIONAL TESTING WORKFLOW

STEP 1: Client Onboarding & PO Budget Allocation

ACTOR: DONNA CABRAL (OPERATIONS LEAD)

💡 **Business Rationale:** Operations Supervisor onboard client company, map plant location, allocate PO budget hours cap, and assign qualified inspector before plant floor work starts.

1. Open Chrome or Edge and go to: <https://proud-lavoisier.vercel.app>
2. Sign in as **Donna Cabral** (username: donna / password: password123).
3. Left sidebar under **SETTINGS & ADMIN** → click **Projects Registry**.
4. Click cyan + **Onboard Project & PO** button at top right.
5. Fill in **Magna International** dataset above. Select Assign Field Rep: **Clarence Kuiken**.
6. Click bottom button **Register Project Assignment**.

✔ **Expected Result:** Toast notification "Successfully onboarded Magna International!" appears. Magna card shows 100 Hours Budget Cap.

STEP 2: Field Inspector Walkthrough & Defect Logging

ACTOR: CLARENCE KUIKEN (QUALITY INSPECTOR)

💡 **Business Rationale:** Quality Inspector stationed at plant audits component lots, sorts defects, and logs shift hours in real time.

1. Go to <https://proud-lavoisier.vercel.app> and sign in as **Clarence Kuiken** (username: clarence / password: password123).
2. Select Project: Magna Belleville Plant 4 - Ford F-150 Harness Micro-Switch Inspection.
3. Enter Details: Regular Hours: **8.0**, Parts Inspected: **350 Pcs**, Defects Found: **12 Pcs**.
4. Summary: "Completed 100% micro-switch pin continuity check on F-150 harnesses. 12 harnesses flagged for loose connector clips."
5. Click **Submit Daily Shift Report**.

✔ **Expected Result:** Shift report status shows "Sent / Pending Review". Live dashboard telemetry updates.

STEP 3: Supervisor Shift Review & Approval

ACTOR: DONNA CABRAL / GREG PHILLIPPE (OPERATIONS SUPERVISOR)

Business Rationale: Supervisor audits field inspector's shift log to confirm hours match plant attendance before locking shift record and deducting hours from PO budget cap.

1. Go to <https://proud-lavoisier.vercel.app> and sign in as **Donna Cabral** or **Greg Phillippe**.
2. Left sidebar under **QUALITY & OPERATIONS** → click **Shift Summaries Log**.
3. Locate Clarence Kuiken's shift entry for Magna Belleville Plant 4.
4. Review details (8.0 hrs, 350 Pcs, 12 Defects) and click **Approve Shift**.

✓ **Expected Result:** Shift status updates to "Published / Approved". Magna PO budget updates from 100.0 hrs to 92.0 hrs remaining.

STEP 4: Financial Accounting & Client Invoice PDF Export

ACTOR: COLLEEN BOYD (FINANCIAL CONTROLLER)

Business Rationale: Accountant consolidates approved billable hours, calculates client invoices and inspector payroll, and exports branded invoice PDF.

1. Go to <https://proud-lavoisier.vercel.app> and sign in as **Colleen Boyd** (username: colleen / password: password123).
2. Left sidebar under **FINANCIAL & AUDIT** → click **Timesheets & Logging**.
3. Select **Magna International** from Client Filter dropdown.
4. Verify calculations: 8.0 hrs @ \$85.00/hr = **\$680.00 CAD Billing** | 8.0 hrs @ \$45.00/hr = **\$360.00 CAD Inspector Pay**.
5. Click green button  **Export Official Client Invoice PDF**.

✓ **Expected Result:** Downloads branded invoice PDF "Invoice_Magna_International.pdf" with itemized shift lines, tax calculation, and zero text overlap.
